SO WHY?

Says the skeleton of Africa
Africa, the world is rotting
People are turning to evil
The world is rotting
The world is wounded
Sudan, Rwanda, Angola, Malawi, Liberia, Zaire
Stop the killing
Stop the killing
Reconciliation is the key road
Ho Africa, Ho Africa
Let's move forward !

Jabu Khanyile of Bayete
Jabu Khanyile of Bayete, born in Soweto, is a great musician whose inspiration is deeply rooted in Zulu tradition and whose world music style is very powerful. This song is part of the *Hoza Africa* campaign to promote respect towards civilians in war time in Africa.
